

## CERTIFICATE OF CONFORMITY

ISO 22196: 2011

**Test Conducted:**

ISO 22196:2011 specifies a method of evaluating the antibacterial activity of antibacterial-treated plastics, and other non-porous, surfaces of products (including intermediate products).

**Remark:**

1. This declaration of conformity is only based on the result of this laboratory activity, the impact of the uncertainty of the results was not included.
  2. For further details, please refer to the report.
